## August Possibilities.

WANAMAKER'S in August is the Wanamaker's of all-the-year around, plus more possibilities in the way of economies than there is room to print in our news.

The Furniture sale leads the list in importance so far as importance lies in magnitude of offer. But it is a leader among giants. Not an item in the following columns deserves less than a first place.

From the colossal facts of the furniture offering as a whole, we select this morning for detailed mention the items of Parlor and Library pieces. For "detailed mention" we should say "general mention," for the detail we print is, in comparison with the entire truth of even this division of the stock, sketchy and inadequate. The whole truth lies in this: We have

- 125 styles of Parlor and Library Suits, \$20 to \$2,000.
- 15 styles of Davenport Sofas, \$20 to \$100.
- 60 styles of Couches, \$7.50 to \$67.50.
- 40 styles of Odd Parlor Chairs, \$3 to \$50.

And in the very important fact that

### The Saving on all Averages One-third

These figures, therefore, must be taken only as suggestive examples.

Many are silks made for this Fall—a few are Spring and Summer fabrics, all are remarkable bargains. ### An August Sale of Lamps and Globes

Time! This is an event as regular as a holiday, and its time is now.

If you want lamps, you'll never get a better chance than this, until this August selling comes around again. Look at the reductions. Half prices are generally thought low enough, but these average much lower than half.

Many of these goods are our own sample lamps, and they form the substance of the sale and the reason for it. We dispose of them each August. This year we add a number of lots from a certain good maker whose desire for clearance coincided with our own.
